

MESSAGE FROM THE LORD MAYOR OF MELBOURNE

The City of Melbourne is proud to support the Kensington Community Festival.

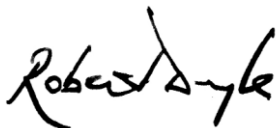

2017 is a special year for the festival as it celebrates its 10th anniversary with creative expression and cultural exchange featuring musicians, artists, community facilities and services.

The Kensington Sustainable Living Expo will be central to the program for the second consecutive year and will include food forests, permaculture, balcony gardening and other local projects such as the Kensington Urban Food Forest and the Davis St community garden.

We Melburnians love our footy so the competition between twenty culturally diverse youth teams for the AFL touch 9 Unity Cup is sure to be a highlight.

Festival goers will be spoilt for choice when it comes to cuisine, with food from all corners of the globe on offer to satiate your appetite.

The Kensington Community Festival incorporates a wonderful mix of entertainment and activities for the whole family to enjoy. Have a great day.

Robert Doyle
Lord Mayor
