

### MESSAGE FROM THE LORD MAYOR OF MELBOURNE

The City of Melbourne is proud to once again support the Kensington CommUNITY Festival.

Join local residents and organisations as they come together to celebrate, share and embrace their diversity, at this much-loved community event.

Bring the family along for a fun-filled day of free activities, workshops and entertainment; explore interactive stalls and treat yourself to mouth-watering dishes – all to the vibrant beat of live performances.

Try your hand at African drumming or Bollywood dancing, lawn bowling or footy while the little ones enjoy face-painting, arts and crafts and of course the animal farm.

Don't forget to check out the Kensington Sustainable Living Expo for handy tips on worm farms, composting and urban food gardening.

The Kensington CommUNITY Festival is a fabulous showcase of community connection and a reminder that Melbourne is one of the world's most culturally diverse cities, home to people from all corners of the world.

Enjoy!
